BRETT'S EUREKA SALVE!

PURELY VEGETABLE.

This remarkable cleansing and healing agent having been used by the discoverer and his family, employes, friends, and neighbors for many years, in numberless cases, with the most satisfactory results, we feel the utmost confidence in offering it to the public, (which we do by the earnest solicitations of those who have used it), for the immediate **Relief and Permanent Cure** of **BURNS, SCALDS, BRUISES, CUTS, CATARRH, FELONS, CORNS, FROZEN HANDS AND FEET, CHILBLAINS, OLD SORES, SORE THROATS, DIPHTHERIA, PILES, BAD COLDS IN THE HEAD, RHEUMATIC AND NEURALGIC PAINS**; also, **PAINS IN THE BACK, SIDE, AND BREAST, NUMBNESS OF LIMBS, COLD FEET, CHAPPED HANDS, SORE EYES, VARICOSE VEINS, SORE LIPS, HAY FEVER, BOWEL COMPLAINT, DYSPEPSIA, AND ULCERS.** It produces circulation, and prevents and removes inflammation, and stagnation of fluids, and maturation in sores, which is the cause of pain and soreness; and also prevents mortification from setting in, if applied in season, used freely, and renewed often.

INTRODUCTORY.

The twenty-eighth number of the CAMBRIDGE CITY DIRECTORY is presented to the public in a condensed, and we trust more convenient form than heretofore. Owing to the increase in size each year, and the corresponding increase in the expense of publishing, we have adopted the style used in printing directories of all large cities, viz.: putting the names in two columns and in smaller type. The references over each page will also be found serviceable in helping to find the names, while the book being smaller will therefore be easier to handle.

Our New Map has also been corrected and revised for insertion this year, and can be found on sale in covers, for pocket use, at the book stores.

Americans visiting London, England, will find our directories on file at Messrs. Henry F. Gillig & Co.'s, 449 Strand, Charing Cross.

We renew our thanks to the business men, who, notwithstanding the dull times, have so generously patronized the directory; and we feel confident that with the resumption of specie payments, the year 1879 will bring about a revival of business that will stimulate the many manufacturing interests of Cambridge, and bring about that prosperity which was so notably observable in our city before the panic.

INSTRUCTION TO KEY HOLDERS.

Alarms are to be given from the
 box nearest the location of the fire.

To give an alarm, open the door,
 pull the hook to the bottom of the
 slot once, and let go.

Each box contains a small bell,
 which, if heard before you pull, indi-
 cates that the alarm has been previ-
 ously given. Any person listening
 at a box will learn the number of the
 box from which the alarm was given.
 For instance: if an alarm proceeds
 from box 36, the bells and gongs at-
 tached will strike three, then after a
 short pause six consecutive blows,
 thus: III—IIIIII.

Don't give an alarm for a fire seen
 at a distance, unless assistance is
 called for.

Citizens are earnestly requested to
 inform themselves where keys to the
 signal boxes are kept; signs, suitably
 inscribed, being placed over each box,
 giving the requisite information.

 Chief Engineer Cambridge Fire Dept.
